PEAK
Patrol Expedition Adventure Kamp

Event Booking Code
08 – S036

21st – 28th March

Introduction

PEAK is a weeklong training adventure for Scouts run over Easter week in Cappanalea Outdoor Education Centre in Kerry. For any scout over the age of 14 with hiking experience who wishes to be challenged this is a unique opportunity. It is an intense roller coaster of a week; from Good Friday, 21st to Friday 28th March, participants are immersed in a week of challenge and adventure. The climax of the week is an overnight expedition in the heart of the Reeks, which every other aspect of the week has been preparing them for: team building, leadership, navigation, orienteering, initiative exercises, route planning, mountain skills ...

Teamwork, self reliance, problem solving, a spectacular setting facilitated by experienced and enthused staff all contribute to a unique personal development experience. **PEAK** veterans have more than just a deserved reputation; they are, the ones who take the initiative, the ones willing to take the lead, willing to share their skills with others. But most of all they're not afraid to make mistakes and learn from them. They know what its like to be in the dirt and to have to recover.

What the Participants say:

- o "I don't want to go home!!!"
- o "I wish I'd prepared more so I'd have been fitter"
- o "I have learned a lot about map & compass & I feel I work better with a team now than before I came"
- o "It was one of the best experiences of my life so far"
- o "Thank you, it was so much fun"
- o "Peak was absolutely amazing. It was challenging and tough going but that's what made it so good. The expedition was brilliant, totally relying on ourselves as a group, that was the good bit. It was an unbelievable experience, the whole thing, making new friends, learning new things and having the brilliant view of the Kerry landscape. It was just one hell of a week I will never forget."

PEAK is open to:

1. Scouts between the ages of 14 and 16 on the event
2. Scouts who have completed at least 1 Sionnach / MPC and / or have good mountaineering experience
3. Scouts who are physically fit
4. Scouts who have an interest in learning the finer points of mountain navigation
5. Scouts who embrace challenge
